

140 [DEDICATION TO QUEEN
ELIZABETH. ^IpSTs

Pair Soul! since to the fairest body knit.
You give such lively life, such
quickenning power \$
Such sweet celestial influence to it
As keeps it still in youth's immortal
flower;

(As where the sun is present all
they ear ^ And never doth
retire his golden ray, Needs
must the Spring be everlasting
there ! A nd every season, like
the month of May /)

O many, many years, may you remain
A happy Angel to this happy
land ! Long ! long, may you on
earth our Empress reign I Ere you
in heaven^ a glorious angel stand.

Stay long, sweet Sp^rit! ere thou
to heaven depart, Which mak'st
each place a heaven, wherein thou
art*

Her Majesty's least and
unwor^est subject,

JOHN D AV i n
